Hello Jennie Elliott Parents! -----

The dates for the Jennie Elliott School Casino are set for November 19th and 20th at the Elbow River Casino and we need your help to staff it! The Casino raises approximately **\$50,000** to support and enrich learning within the school. It pays for things like: upgrading classroom technology, library and classroom resources, residency programing, new gym equipment and much much more!

Approximately 40 volunteers are required to staff three shifts on both days. We also need alternates in case a volunteer is unable to attend at the last minute. No experience is required and meals/snacks and parking are all free! ***Please sign up today***
