

## Who we are

School Council is comprised of a parent executive board and supported by a large and awesome group of parent volunteers. We work together with teachers, administration, parents, students and community organizations in the areas of school spirit, fundraising and outreach with the common goal of creating a **safe, healthy, resource and opportunity-rich environment** for our children.

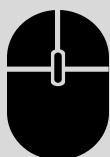

If your child attends JE, **you're automatically a member of the Council**. You have a voice and it really does matter. When you attend meetings (held every **3rd Monday of the month, at 7:00**), you'll hear first hand what's going on while having an opportunity to discuss your questions and offer up your opinion; to a group that is **super accountable**. As a parent, you enrich the decision making process and you're an important voice in making **Jennie Elliott the amazing learning community that it is**.

## Don't miss out

Due to **recent changes to anti-spam** legislation families are **required to opt-in** to receive communication from the CBE and Jennie Elliott.

## Fun Lunches

### Because who loves packing lunches, everyday?

When you order Fun lunch, it not only saves you from making another sandwich that comes home un-eaten, you are also contributing (in a huge way!) to our fundraising initiatives.

Last year, our Fun Lunch program **brought in over \$13,000**. That's incredible! And all that money goes right back into funding programs & initiatives for our kids.

Fun Lunches start on September 27th.
