4. Administration
 - Farewell – Thank you for your wonderful support during my time at Jennie Elliott School. We have managed to deliver excellent academic results, put children first when making decisions, maintain a vibrant culture and make a difference in the community at large. Managing a lot of change such as the DHH move couldn't have happened without everyone pulling together. Thank you for your kind words at the farewell assembly and the over the top farewell gift. I will miss you. Chris Aylesworth.
 - Welcome to Stephen Ogilvie, the new principal of J.E.S.

I am exceptionally honored and excited to join the Jennie Elliott School community and humbled by the extraordinary legacy that Chris and the administration team, staff and parents have established for your children. My commitment to you is to continue to build upon that legacy to ensure that your children thrive under the care of our talented staff. I look forward to getting to know staff, students and parents over the coming months and gaining your insights and feedback on the things that matter to you and your children. I bring over 24 years of educational leadership experience having spanned multiple boards, provinces, and educational settings including classroom teaching, community agency, and adult learning. What I am most proud of is having contributed to several initiatives that progress teacher learning to advance the Calgary Board of Education's vision of strengthening and supporting personalized learning needs of each student under our care.

Stephen has extensive experience in specialized settings including DHH and TASC.

- Facility Upgrade – We are getting new exterior doors.

Thank-you for your attendance!

Our Mission: To support our School in providing an excellent education for children through an active partnership between students, teachers, parents, staff and community members.
