5. Administration
 - a. School Development Plan – This is a living document that is adjusted regularly to attend to areas for growth as identified in our data analysis. This will be posted on our webpage.
 - b. Gr. 6 PAT Results – We are very proud of our results. We exceed the provincial average in all core subjects. This is a snapshot in time and only one small measure of school quality. A report was sent out to all of our families.
 - c. Alberta Education Accountability Pillar Results – This is based on feedback gleaned from Gr. 4 students, their parents and all teachers. We are pleased with our results. The report is shared with staff in order to address areas for growth and highlight areas of success.
 - d. Parent/Teacher/Student Conferences – These take place this Thursday evening and Friday from 8:00 a.m. to 1:00 p.m. Teachers will be discussing your child's progress. The first report card comes out at the end of January.
 - e. November – Takes place on Wednesday, November 21. Students and staff are encouraged to get their MO on. Donations for Kids Cancer care will be accepted.
 - f. Decidedly Jazz Residency – This was successful and a lot of fun.
 - g. Teacher Representative Peggy Henderson. Peggy is part of our DHH team.

Thank-you for your attendance!

Our Mission: To support our School in providing an excellent education for children through an active partnership between students, teachers, parents, staff and community members.

8. Parent Feedback Survey results

Feedback we got on survey was good for future ideas but nothing in budget to do any new projects coming up. Strong support to continue Artists in Residence, technology in the schools, support to teachers & learning. Also strong support (72% were somewhat or very interested) in making a financial donation to the school.
