7. Administration

- a. Welcome back! Thanks to Jen and Robyn for co-chairing this year. Parent support is critical to our success and your involvement is much appreciated.
- b. Start-Up – It has been a very unique start this year with boiler replacements, DHH construction, new staff and PowerSchool. PowerSchool has been quite challenging as bugs are worked out. Things are starting to gel and pressure points are being addressed. Class sizes are reasonable except in Gr. 2. We may be able to add support after we receive our updated budget. Funding is based on our population as of September 30. We now have 13 busses so our bus zone will have to be expanded. Also, with over 60 staff, parking is an issue. Considering all of the moving parts, things are going well overall.
- c. Jennie Elliott Swag – There will be an opportunity to purchase some soon.

Thank-you for your attendance!

Our Mission: To support our School in providing an excellent education for children through an active partnership between students, teachers, parents, staff and community members.
